Curious, enthusiastic and creative, I've been working with passion on creating nice user-experiences for websites and applications in the last 8 years.

Employment History

SINCE 02/2013 **UX DESIGNER**

Cologne, Germany

HRS, Hotel Reservation Service / Köln / hrs.de

Continuous improvement of the user experience of HRS products.

Along with product owners, developers and decision makers, I aim at improving the overall experience of our customers.

Conversion rate optimisation through an improved user-experience. Usability optimisation, creation of a design style guide and guidelines for HRS web and mobile applications. Data-driven decision making (A/B testing, web-analytics, user-testing).
